Senator O’Connell recognized by nurse anesthetists

(Bismarck, ND) – State Senator David O’Connell, Lansford, ND, was recognized in Bismarck on Thursday, January 12 by the North Dakota Association of Nurse Anesthetists (NDANA) for his commitment to health care.

Char Manstrom, a Certified Registered Nurse Anesthetist (CRNA) and president-elect of the NDANA awarded O’Connell the NDANA 2005 Legislator of the Year Award stating, “Senator O’Connell recognizes that access to quality health care in North Dakota is important and ensuring communities can continue to provide essential services is vital to our state.”

CRNAs are highlighting patient safety and their commitment to quality health care by celebrating National and State Nurse Anesthetists Week January 22-28. “We’re proud to recognize Senator O’Connell for sharing our mission,” said Manstrom.
